

```
std::enable_shared  
_from_this< floorComponent >
```

```
graph BT; table[table] --> floorComponent[floorComponent]; floorComponent --> std_enable_shared_from_this[std::enable_shared_from_this< floorComponent >];
```

The diagram illustrates a C++ inheritance hierarchy. At the bottom is a box labeled 'table'. An upward-pointing blue arrow connects 'table' to a box labeled 'floorComponent' in the middle. Another upward-pointing blue arrow connects 'floorComponent' to a box at the top containing the text 'std::enable_shared_from_this< floorComponent >'. The boxes are rectangular with black borders; 'table' has a light gray fill, while the others are white.

floorComponent
